Subject: FW: OR CZARA NWEA Forest Roads Review
Attachments: Roads Review NWEA.docx

Good morning, Jayne,

I received about 60 more references from Chris this morning on Forest Roads. I know these aren't specifically called out in the task order, but I thought we'd start chipping away at them since they will reduce the number of "other" comments that we'll ultimately need to track down. Does that work for you?

Thanks!
-Jennifer

Subject: OR CZARA NWEA Forest Roads Review

Attached please find the forest roads references from the NWEA letter.

I will be following up with two more emails with other references for forest roads following this.
